LLumar® iLLusions™ Decorative Window Film
Frost Series
Bronze (NRMB PS2)

Product Description
Create private spaces that feel open and airy with frost series decorative window films. Frosted and translucent finishes ensure privacy without sacrificing natural light. They are ideal for commercial interior glazing applications such as office partitions or to meet interior design goals at a fraction of the cost of etched glass.

Benefits and selection criteria
- Clearly defines space and accentuates design
- A rich finish for discriminating palates
- Softly diffuses light
- Can be custom cut for a decorative or patterned appearance
- Helps shield harmful ultraviolet rays

Privacy Film Rating
This number, between 0 (clear) and 10 (opaque), represents the relative difficulty an observer has in identifying the nature and character of an object located on the opposite side of the window, with the observer and the object both located at least 2 feet from the pane upon which the product has been installed.
