

LLumar® iLLusions™ Decorative Window Film
 Frost Series
Mist (NRM80 PS2)

SPECIFICATION SHEET

To view this product and the rest of the LLumar® iLLusions™ line, please visit LLumar.com/decofilmviewer

Product Description

Create private spaces that feel open and airy with frost series decorative window films. Frosted and translucent finishes ensure privacy without sacrificing natural light. They are ideal for commercial interior glazing applications such as office partitions or to meet interior design goals at a fraction of the cost of etched glass.

Benefits and selection criteria

- Light shines through for balanced and consistent brightness
- Integrates spaces while maintaining definition of purpose
- Softly diffuses light
- Can be custom cut for a decorative or patterned appearance
- Helps shield harmful ultraviolet rays

Specifications

Product Name	Mist (NRM80 PS2)
Product Series	Frost Series
Film Type	Polyester
Adhesive Type	Pressure-sensitive
Usage	Interior
Widths	60", 48", 36"
Film Thickness (excludes liner)	.002"

Installation and Warranty

LLumar iLLusions are professionally installed by a global network of authorized dealers in accordance with factory procedures. While installation is fast, with minimal disruption to tenants or contractors, the film is extremely durable and is backed by a limited manufacturer's warranty. Your dealer can provide you with technical information and warranty details.
