

LLumar® iLLusions™ Decorative Window Film  
 Pattern Series  
**Stripes (NRM FS)**

SPECIFICATION SHEET

To view this product and the rest of the LLumar® iLLusions™ line, please visit [LLumar.com/decofilmviewer](http://LLumar.com/decofilmviewer)

**Product Description**

LLumar patterned films are available in a wide array of classic and elegant patterns to complement any décor. Achieve a wide range of aesthetic solutions through varying levels of translucent and opaque whites. Add style and privacy to office partitions, conference rooms, banks, restaurants and health clubs with this versatile film series.

**Benefits and selection criteria**

- The clean lines of frosted stripes define space without complete separation
- Provides an interesting design that addresses a wide range of needs
- Helps shield harmful ultraviolet rays

**Specifications**

Product Name	Stripes (NRM FS)
Product Series	Pattern Series
Film Type	Polyester
Adhesive Type	Pressure-sensitive
Usage	Interior
Width	60"
Film Thickness (excludes liner)	.002"

**Installation and Warranty**

LLumar iLLusions are professionally installed by a global network of authorized dealers in accordance with factory procedures. While installation is fast, with minimal disruption to tenants or contractors, the film is extremely durable and is backed by a limited manufacturer's warranty. Your dealer can provide you with technical information and warranty details.

**Product Description**

LLumar patterned films are available in a wide array of classic and elegant patterns to complement any décor. Achieve a wide range of aesthetic solutions through varying levels of translucent and opaque whites. Add style and privacy to office partitions, conference rooms, banks, restaurants and health clubs with this versatile film series.

**Benefits and selection criteria**

- Ultra-modern dynamic lines create privacy with a playful tone
- Makes a statement in a contemporary space
- Helps shield harmful ultraviolet rays

**Installation and Warranty**

LLumar iLLusions are professionally installed by a global network of authorized dealers in accordance with factory procedures. While installation is fast, with minimal disruption to tenants or contractors, the film is extremely durable and is backed by a limited manufacturer's warranty. Your dealer can provide you with technical information and warranty details.
