**Product Description**

Our Color Frost Series enlivens the timeless look of matte frosts with enriching color. This thoughtfully curated selection offers translucent and sandblasted effects in a range of neutrals that includes both warm and cool tones.

Each style creates ambience and privacy at a fraction of the cost of custom glass. Browse and imagine clear glass partitions, stairways, and even furniture as eye-catching design elements.

**Benefits and selection criteria**

- A rich bronze finish for discerning palettes
- Softly diffuses light while providing privacy
- Clearly defines space and accentuates design
- Can be custom cut for a decorative or patterned appearance
- Helps shield harmful ultraviolet rays

**Installation and Limited Warranty**

LLumar iLLusions are professionally installed by a global network of LLumar dealers in accordance with factory procedures.

While installation is fast, with minimal disruption to tenants or contractors, the films are highly durable and backed by a manufacturer's limited warranty. Your dealer can provide you with technical information and warranty details.

**Privacy Film Rating**

This number, between 0 (clear) and 10 (opaque), represents the relative difficulty an observer has in identifying the nature and character of an object located on the opposite side of the glass pane, with the observer and the object both located at least 2 feet from the filmed pane. The number is intended to be a guide only.
