**Product Description**

Link natural outside elements to interior landscapes with our embossed Nature Series decorative films inspired by water, foliage and sand. Explore and bring in the essence of the outdoors to convert uninteresting spaces into peaceful places.

Nature-themed films let you create privacy, maintain natural light, and bring tranquility and uplifting energy to interiors.

**Benefits and selection criteria**

- A rich and welcoming finish adds dimension to glass
- Adds privacy and refracts light
- Subtle texture without designer glass cost
- Helps shield harmful ultraviolet rays

**Installation and Limited Warranty**

LLumar iLLusions are professionally installed by a global network of LLumar dealers in accordance with factory procedures.

While installation is fast, with minimal disruption to tenants or contractors, the films are highly durable and backed by a manufacturer's limited warranty. Your dealer can provide you with technical information and warranty details.

**Privacy Film Rating**

This number, between 0 (clear) and 10 (opaque), represents the relative difficulty an observer has in identifying the nature and character of an object located on the opposite side of the glass pane, with the observer and the object both located at least 2 feet from the filmed pane. The number is intended to be a guide only.
