Product Description

Draw attention and help disguise views with the striking geometry of our Pattern Series. This broad-ranging selection of transparent film styles features graphic lines and squares.

Every style is a practical, aesthetically pleasing way to energize ordinary glass. For clear definition and distinction of space, choose your desired privacy level from this diverse collection.

Benefits and selection criteria

- Blurs boundaries and obscures views
- Striking yet subtle finish infuses design with function
- Adds privacy without completely eliminating light
- Helps shield harmful ultraviolet rays

Installation and Limited Warranty

LLumar iLLusions are professionally installed by a global network of LLumar dealers in accordance with factory procedures.

While installation is fast, with minimal disruption to tenants or contractors, the films are highly durable and backed by a manufacturer's limited warranty. Your dealer can provide you with technical information and warranty details.

Privacy Film Rating

This number, between 0 (clear) and 10 (opaque), represents the relative difficulty an observer has in identifying the nature and character of an object located on the opposite side of the glass pane, with the observer and the object both located at least 2 feet from the filmed pane. The number is intended to be a guide only.
